Introduction	Please correct all formatting errors in paragraphs (missed spaces between words, missed full stops and commas etc.). “Full stops” of titles in tables should be removed. Tables should be correctly numbered and formatting options must be similar to all.	
Materials & methods	Give a brief description on Study Area. Place an Area Map. References are insufficient and not displayed properly. Please correct all formatting errors in paragraphs (missed spaces between words, missed full stops and commas etc.). Numbering of equations/formula is incorrect. Plates are not numbered correctly.	
Results & discussion	Please correct all formatting errors in paragraphs (missed spaces between words, missed full stops and commas etc.). Tables are not numbered correctly. In figure 3.1, y-axis should be numbered and x-axis should be labeled. In figure 3.3, y-axis and x-axis should be titled. Please recheck the figure title also. Numbering of equations/formula is incorrect. Please indicate cited references for equations/formula.	
Conclusion and Recommendation	Please correct all formatting errors in paragraphs (missed spaces between words, missed full stops and commas etc.).	
References	In the text, citations should be indicated by the reference number in brackets; example: [1]. The format of reference list should be re-checked. Some formatting errors and lack of uniformity could be identified. Arranged format of references is wrong.
