SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	1. Section 2.2 may be further simplified. The authors may use too more pages for the literature review. 2. The authors used the multiple regression technique to provide hypotheses testing results. Suggest adding some graphs to show regression results.	
<u>Minor</u> REVISION comments	Check the formats of reference list. Be sure that each journal reference is edited according to the same format. It is found italic journals' names in some references and normal journals' names in other references.	
<u>Optional/General</u> comments
