PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	The article has been presented well Various techniques for sowing of sugar cane and potato has been explained well. As per the author suggestion in the conclusion, themselves has to provide the design of new machine for sowing of both the crops.	In the article under review, focus is made on the requirement of a machine which can be used to plant both sugarcane- bud and potato due to similar physical properties. The design of new machine will be proposed in another article.
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments	The authors kept more efforts to get the article in better shape
