(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	<p>Regarding your study on weather conditions for aviation transport, I noticed that:</p> <ul style="list-style-type: none"> - You do a good research work, - You mentioned the different elements of weather conditions that influence on aviation transport, - You did a statistic study with other foreign countries of NIGERIA, it's good, <p>But the problem that for your study:</p> <ul style="list-style-type: none"> - You know that we are on 2018 year, so why are you choosing to do your study specially in the years (2000 - 2014)? Why you don't work for (2014 - 2017) ? - You are based on old research work, the last one reference you have is on 2015 (reference number 7), so It must be based on more recent work (2015, 2016 and 2017). 	
Optional/General comments
