PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	There are a lot of spelling errors. The author needs to go over and do the corrections!	Spelling errors has been corrected
Minor REVISION comments	- Where did this study take place: state, region, country? Map of the country and the area? - The abstract was lumped together. No Aim, method, result, conclusion subheadings? Or is that the format of the journal? - Few references cited in the discussion. The author should look for other references and compare and contrast! - The references cited are very few!	- It took place in Kuching, Sarawak, Malaysia - Revised abstract with subheadings added - Previous references that was omitted has been written (up to 10 references has been cited)
Optional/General comments	It is an interesting paper though!
