

SDI FINAL EVALUATION FORM 1.1

PART 1:

Journal Name:	European Journal of Medicinal Plants
Manuscript Number:	Ms_EJMP_23992
Title of the Manuscript:	The role of monocarboxylate transporters and their chaperone CD147 in lactate efflux inhibition and the anticancer effects of Terminalia chebula in neuroblastoma cell line N2-A
Type of Article	Original Research Article

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
The authors have responded to most of the comments in satisfactory way. It is important to provide the contact information of FAMU Herbal Resource Facility in the manuscript, so other future investigators could obtain essential information on these plants to replicate the results. Results are very preliminary without animal data. Thus, manuscript could be shortened significantly for publication as a brief report.
