**PART 1: Review Comments**

	<b>Reviewer's comment</b>	<b>Author's comment</b> <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<b><u>Compulsory</u></b> REVISION comments	The authors have very well worked on finding the principle compounds in the herbal extract which is having the acaricidal activity. Furthermore I would recommend to find any toxic effect of the principle compounds. The manuscript can be accepted with minor revision	
<b><u>Minor</u></b> REVISION comments	Incorporation of recent references as mentioned in the manuscript. The discussion part is incomplete, should be rewritten	The discussion part is re-written and references were inserted
<b><u>Optional/General</u></b> comments
