SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	The authors have very well worked on finding the principle compounds in the herbal extract which is having the acaricidal activity. Furthermore I would recommend to find any toxic effect of the principle compounds. The manuscript can be accepted with minor revision	
<u>Minor</u> REVISION comments	Incorporation of recent references as mentioned in the manuscript. The discussion part is incomplete, should be rewritten	
<u>Optional/General</u> comments
