

Editor's Comment:

Please find attached the review comment for the research paper entitled, "Novel Combination contains probiotic bacterial and yeast strains to reduction of Aflatoxin M1 in Milk".

The paper has been revised many times as per the comments received from the various reviewers. Now the author has incorporated all the necessary changes in the paper. The editor's can now publish the paper with the following correction:

The title of the paper should be changed as "Aflatoxin M1 reduction in milk by a novel combination of Probiotic bacterial and yeast strains.

Rest the research paper to be accepted for publication.
