PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	The paper is technically correct and well-written. I have no critical comments. Nevertheless, this paper is of limited interest since reports local situation in one hospital; there are few more general implications.	
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments
