Type of the Article	

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	The manuscript needs to be revised by the author making sure that all the et als are in italics and well written (<i>et al.,</i>). The references need to be uniformly formatted. Some have YEARS immediately after names and also before journal volume while some did not. There are double/triple line spaces between some and only a single space between some.	
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments
