

SDI FINAL EVALUATION FORM 1.1

PART 1:

Journal Name:	International STD Research & Reviews
Manuscript Number:	Ms_I-SRR_42404
Title of the Manuscript:	Exercise & Yoga as an intervention for enhancing subjective wellbeing in HIV-positive individuals
New title:	HIV-positive individuals: Exercise, Yoga and Quality of life
Type of Article:	Original Research Article

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
<p>Line 56:an important???????</p> <p>An important aspect is missing in manuscript: there is no text in the results section that adds to the tables; I would suggest that each table be preceded by a short text highlighting the results.</p>	

Reviewer Details:

Name:	<i>Tabé Franklin Nyenty</i>
Department, University & Country	<i>University of Ngaoundere, Cameroon</i>
