SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	(1).Introduction is scanty and needed more elaborate write up (2).Methodology did not mention that the subjects were on specialized diet/physical activity (3)Result/ discussion are not properly linked with methodology	All comments were taken into account in the manuscript
<u>Minor</u> REVISION comments	Needed some grammatical corrections as marked.	
<u>Optional/General</u> comments	The write up looks like case report rather than a full length research article. A lot of abbreviations.
