Type of the Article	

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

PART 1: Review Comments

	Reviewer's comment	Author's comment
Compulsory REVISION comments	<p>Although the case presentation's contribution to the literature is minimal, it can be accepted after minor revision.</p> <p>1. Abstract should be more descriptive and grammatical errors should be corrected. 2. More information on the locations of extramedullary plasmacytoma should be given in the introduction. 3. The grammar, letter and spelling mistakes in the whole part should be corrected.</p>	<p>The manuscript has been corrected and is attached herewith. Thanks for suggestions.</p> <p>The corrected manuscript is attached herewith. Thanks for the suggestions.</p>
Minor REVISION comments		
Optional/General comments
