SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	- I cannot understand why there are two references sections? All the references of the manuscript must be in one part and all have a continuous numbers not separated as the article.	We thank the reviewer for his useful and constructive criticism. This is properly acknowledged in the "Acknowledgements" section of the manuscript. Now, all references are in one part.
Minor REVISION comments	- All the paragraphs should be (Tab). - All the references should be with the same format, for example: if use one initial it should be one for all.	Now, all paragraphs start with Tabs. All references are the same.
Optional/General comments
