SDI Review Form 1.6

PART 1: Review Comments

	Editor's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	I agree with all the very good reviewer's comments. Before accepting the manuscript : <u>All the comments</u> on the manuscript are germane and compulsory and should be effected. The title need to be modify following the advice of the reviewer. Some descriptions of results are present in legend of tables, please put these sentences in the Result and Discussion section. Concerning abbrev. in all manuscript, you need to put the full meaning first and bracket the abbrev., before subsequently using the abbrev.	I agree with the editor, and I have imputed the necessary and suggested corrections. I also removed the description of the result which I had earlier presented as table legend. It already has appeared in discussion section.
<u>Minor</u> REVISION comments	Some minor revision are indicated on the PDF version "Comment_Editor_1_IJBCRR_28593_v1_A"	
<u>Optional/General</u> comments
