

SDI Review Form 1.6

Journal Name:	International Journal of Biochemistry Research & Review
Manuscript Number:	Ms_IJBCRR_22348
Title of the Manuscript:	THE MATHEMATICAL MODEL OF SELF-OSCILLATIONS OF KAI PROTEINS IN INCUBATION SOLUTION
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound.

SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	Abstract: line 6- Let the introduction not begin with, 'In this paper'. Key words: It will be desirable if more key word like Kai protein are added. Legend Figure 1 is missing Result and discussion: In paragraph 2 and 3, line no. 58,59 please give reference of the reaction. Line no. 59 KaiHC6p is not traceable from R1 – R6. Line no 64 pl check the tense in the sentence and also completeness of the sentence. Line 77,78 pl give details of the model along with reference. Line No. 130,131 Please clarify about fig2 (a,b,c). The legend are missing. Material and methods- This section should include the basis of choosing the model and how this model is better or different than other models. The manuscript is not concluded.	
<u>Minor</u> REVISION comments	Line No. 50 Spelling mistake	
<u>Optional/General</u> comments	The model mentioned in the manuscript is good. Overall good manuscript but to get better scientific impact recommended revision may be helpful.
