PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	The report gives no evidence that the plant extract has an effect in diabetes. There is no difference between the diabetic controls and the diabetic animals treated with the plant extract. Please provide some evidence for an antidiabetic effect from the plant extract such as decreased blood glucose levels or haemoglobin A1c levels.	
<u>Minor</u> REVISION comments	There are several English problems that make reading the manuscript difficult.	
<u>Optional/General</u> comments
