PART 1: Review Comments

	Reviewer's comment	**Author's comment** *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments	**Give suitable references for the methodology applied.** **Improve the introduction part.**	Implemented Implemented
Minor REVISION comments	Graphical representation of data is lacking. Journal names should be in italics for reference part.	Bringing in graphics and tables could be a kind of replication of results. I humbly suggest the tables could do. Refs for Science domain Journals are not italicized.
Optional/General comments	Conclusion have to be modified.Page number missing for some of the references.	Corrected. Thank you.
