SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	Some sentences in the introduction (Line28-33) are not necessary. There should give just information about geographic coordinates. Discussion is too weak in comparing with data of the experiment. Please clarify the Plagiarism: http://www.slideshare.net http://www.academia.edu http://www.researchgate.net http://www.wrrc.hamail.edu http://www.revolvy.com/main http://www.boards.straightdope.com http://www.Nepis.epa.gov/Exe http://www.Godfemf.blogspot.com http://www.scribd.com	
Minor REVISION comments	Make some references uniform according to journal style.	
Optional/General comments
