

Editor's Comment:

I have carefully read the revised manuscript " Nephrotoprotective Effect of Vernonia amygdalina(Bitter Leaf) Extract on Benign Prostatic" as well as the Reviewers' comments. In my opinion, the manuscript is worth of publication, provided that the Authors make some minor amendments, starting from the title, where an essential word is missing. in fact, the correct title should be "Nephrotoprotective Effect of Vernonia amygdalina(Bitter Leaf) Extract on Benign Prostatic Hyperplasia". Moreover (line 10) the species Amygdalina should be de-capitalized, thus becoming amygdalina.
