

SDI Review Form 1.6

Journal Name:	International Journal of Biochemistry Research & Review
Manuscript Number:	Ms_IJBCRR_42910
Title of the Manuscript:	Nephroprotective Effect of Vernonia amygdalina Extract on Benign Prostatic Hyperplasia in Adult Male Rats
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>1. include the phytochemistry result showing the phytochemical constituents of the extract in question</p> <p>2. In the discussion, comments on the possible phytochemical constituents likely implicated in the nephroprotective effect noted in the study were not included</p> <p>3. Comment on some possible mechanism leading to nephro-protective effect such as reduction in prostate weight by the extract should be discussed</p>	
Minor REVISION comments	<p>Line 3: include English name...(better leaf)</p> <p>line 15 - full-stop after "...days" begin new sentence from "While..."</p>	
Optional/General comments	publish
