SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Compulsory REVISION comments		
Minor REVISION comments	<p>The paper is good. Give an Orthopedic classification of proximal femoral. I advice for AO/OTA classification</p> <p>Write the references according the authors guidelines.</p>	<p>Thank you for your confidence. I have inserted the AO/OTA classification in the text and highlighted that addition and have added other (highlighted) clarifications consistent with your request.</p> <p>I have corrected and amended the references to meet the style required and highlighted the several corrections. I apologize for the oversights.</p> <p>I also corrected one spelling error on line 22 and the teriparatide dose on line 35.</p>
Optional/General comments	Need some revision
