SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments	<ol style="list-style-type: none"> 1. Line 6: B.Dermatitidis is a fungi not a fungal infection. Blastomycosis is the infection. 2. The abstract is long with subheadings. I think the abstract should be reduced and the subheadings removed. 3. The case presentation is well written but the introduction could be reduced a bit. 4. Pay attention to Typographical errors and spellings e.g. line 48(vegetation), line 82 and 83, line 	<ol style="list-style-type: none"> 1. This error has been corrected 2. The abstract has been put into a more concise format without any subheadings 3. The introduction has been drastically reduced and most of the information moved under discussions 4. The typographical errors pointed out have been corrected
<u>Optional/General</u> comments	Necessary adjustments may be made in the language to make it easier to follow.	Some adjustments have been made to simplify the language.
