**PART 1: Review Comments**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b><u>Compulsory</u></b> REVISION comments	<p>I understand that the paper submitted has an enough quality to be accepted by the journal. The basic questionnaire of maize cultivation in the researched area of Kenya is essential for making clear of the way how to increase productivity of maize in the more sustainable practice.</p> <p>However, there are some points to be revised <b><u>as pointed out in the attached file which I directly put comments on the paper.</u></b></p> <p>Especially, the first line in Page 3 is difficult to understand the meaning of this sentence due to possibility of the out of grammar.</p> <p>The style of cited papers in References should be listed in the same form. Therefore, please check the style carefully as pointed directly in the paper.</p>	
<b><u>Minor</u></b> REVISION comments		
<b><u>Optional/General</u></b> comments
