

Editor's Comment:

The final decision for manuscript number Ms IJPSS 25339 entitled 'Dynamics of Soil Carbon, Nitrogen and Soil Respiration in Farmer's Field with Conservation Agriculture, Siem Reap, Cambodia' written by Don Immanuel A. Edralin, Gilbert C. Sigua, and Manuel R. Reyes

The final version of the manuscript is prepared according to all of my requirements. I have no objections to the text, so and I am pleased to inform that my final decision is: Accept.
