SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments	<p>Literature dates are pretty old. Maybe they can be updated.</p> <p>English of the article should be reviewed by a native speaker.</p> <p>Tables should be rearranged as I mentioned on the text.</p>	<p>The author works in a remote area with limited surfing facility. The literature cited could be reviewed with those. The editors are free to enrich the literature with few recent entries in text as well as in reference sections, if they wish so.</p> <p>The editors are free to enrich the English of the manuscript if they wish so.</p> <p>Done.</p>
<u>Minor</u> REVISION comments		As suggested in the PDF format, the Introduction part has been enriched with added text stating why sugars and lipids are very important in metabolic processes during seed germination.
<u>Optional/General</u> comments
