**PART 1: Review Comments**

	<b>Reviewer's comment</b>	<b>Author's comment</b> <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<b><u>Compulsory</u></b> REVISION comments	<b>No need major or compulsory revisions for this manuscript.</b>	I agree with the reviewer and I have incorporated the comments given accordingly.
<b><u>Minor</u></b> REVISION comments	Yes, I have corrected minor revisions in this manuscript. No need to major corrections but it has good for publish in your journal sir	I agree with the reviewer
<b><u>Optional/General</u></b> comments	Mango is one of the important fruit crops in Asian country, here more research has been done. Particularly this study was good for future research depth in mango, and also should give the technology to the farming community.
