SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	<p>The manuscript is good and it creates room for other researchers to work on but the major corrections are required in Abstract, Materials and Methods, Result and Conclusion parts of the manuscript.</p> <p>The values in the tables should be in two decimal places and the tables should be restricted to three lines.</p>	<p>Thank you for the guidelines. I have worked on the abstract as advised, ensured a full stop on the sub-titles, reviewed the tables to three lines as advised and all values to the same (two) decimal places, and corrected all the statements as requested. I used the LSD for the intention of drilling the point home on the mean separation.</p>
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments	Author(s) need to do the necessary corrections.	Thank you. We have done so
