PART 1: Review Comments

	Reviewer's comment	Author's comment (<i>if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here</i>)
Compulsory REVISION comments	Good paper, interesting, clear and well presented. One question: How do you explain the negative correlation between grain oil content and oil yield/ha related in page 19, just under table 6?	
Minor REVISION comments		
Optional/General comments
