

SDI Review Form 1.6

Journal Name:	International Journal of Plant & Soil Science
Manuscript Number:	Ms_IJPSS_28652
Title of the Manuscript:	Effect of Dolomitic Lime and Muriate of Potash on Mango Jelly Seed Disorder and Fruit Tissue Mineral Content
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound.
