PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments		
Optional/General comments	The work is good. But would be apt for publishing as a Short Science Communication	Dear Sir I have elaborated the introduction part and discussion part and added some new references also now I think that revised manuscript can be considered as full length paper. Thanks for your comments.
