SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>Title too big. Be more creative, avoid words like effect. There is no need to put in the title that the experiment is in pot.</p> <p>Report the reason for using corn crop and its importance.</p> <p>It is necessary to describe the volume of irrigation water that was used and also of the treatments.</p> <p>The conclusion seem equal to a summary of the results and discussion. It should only answer your goals. Be clearer and more direct.</p>	OK
Minor REVISION comments	<p>Divide the table and leave it horizontally, to occupy less space.</p>	
Optional/General comments
