SDI Review Form 1.6

**PART 1: Review Comments**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	--	
<b>Minor</b> REVISION comments	--	
<b>Optional/General</b> comments	<ul style="list-style-type: none"><li>• Short communication you have to reduce page number and write very important points</li><li>• Need more revision about methods</li><li>• Include conclusion</li><li>• Reference is not in correct format pls recheck all the reference you have cited</li></ul>	In this new version of the manuscript we clarified the methods and moved some details that were in fact results. We include a conclusion section. We also reviewed the bibliography which was improved in format and content by increasing the number of citations with the format of the journal
