SDI Review Form 1.6

PART 1: Review Comments

| | Reviewer's comment | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|--|--|---|
| <u>Compulsory</u> REVISION comments | <p>Title too big. Be more creative, avoid words like effect. There is no need to put in the title that the experiment is in pot.</p> <p>Report the reason for using corn crop and its importance.</p> <p>It is necessary to describe the volume of irrigation water that was used and also of the treatments.</p> <p>The conclusion seem equal to a summary of the results and discussion. It should only answer your goals. Be clearer and more direct.</p> | |
| <u>Minor</u> REVISION comments | Divide the table and leave it horizontally, to occupy less space. | |
| <u>Optional/General</u> comments | | |
