

SDI Review Form 1.6

Journal Name:	International Journal of Plant & Soil Science
Manuscript Number:	Ms_IJPSS_39373
Title of the Manuscript:	Symbiotic effectiveness of indigenous rhizobial strains on biological nitrogen fixation of Lablab (Lablab purpureus) in the derived savanna of Nigeria
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments	The subject is well stated in the introduction but introduction is very long.. It should be shorted.	Noted
<u>Optional/General</u> comments	Subject is new and original. Manuscript is communicating new and important results. The amount of data presented is sufficient. I am not aware of any errors in the calculations and the statistical treatment would appear adequate. Results are new and original. The tables are appropriate. The length is appropriate. The conclusions appear to be justified. From my point of view, manuscript is able to publishing in IJPSS.
