PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	<p>This is an interesting research work dealing with significant technical matters. The study is well written and presented and merits publication in International Journal of Plant & Soil Science, with a minor correction.</p> <p>More actual references should be used the article.</p> <p>Discussion: Please, put more attention in the author guidelines with the information about what is it a discussion. You should make a comparison between your results and others of different authors, and discuss methods, results and ideas. You need more bibliography.</p>	<p>Thank you sir/madam, for your valuable review.</p> <p>Yes sir I have added two more references for my results and discussion part. Those added references are may be enough for my supporting my results.</p>
Optional/General comments
