FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
<p><b><u>Introduction</u></b></p> <p>It remains the problem of the study aim. The study aim is different from "Some writers (e.g. Padi and Owusu, 1998; Ruff and Zadi, 1998) contend...." Where is your own objective for your paper? Usually, it is putted at the end of the introduction. So review your paper according to the journal consign. (see example on your MS word revised marked by green)</p> <p>It is very important to make difference between abstract and introduction. Her, you put the study aim in the abstract not in the introduction.</p>
