

SDI Review Form 1.6

Journal Name:	International Journal of Plant & Soil Science
Manuscript Number:	Ms_IJPSS_39962
Title of the Manuscript:	Soil testing scenario in India and its significance in balanced use of fertilizers
Type of the Article	Review Paper

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	There are abbreviations without description. They must be presented in full beforehand. Units of measurement should be restricted to the metric system, eliminating unit of nationalized or regionalized use	
Optional/General comments	The review is presented without definition of collection method, search mechanisms or inclusion / exclusion and systematization criteria of the content consulted. In the absence of a review method, the conclusion is not the appropriate closure for the article. We suggest that it be presented as final considerations.
