

SDI FINAL EVALUATION FORM 1.1

PART 1:

Journal Name:	International Journal of Plant & Soil Science
Manuscript Number:	Ms_IJPSS_43255
Title of the Manuscript:	Evaluation of anaerobic digestate potential as organic fertilizer in improving wheat production and soil properties
Type of Article:	Original Research Article

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
Considering the corrections made in a timely manner and the responses commented by the authors, content and relevance of the article, I suggest the acceptance of it. (Accept). It would only suggest using the elemental carbon analyzer instead of the wet method in determining the carbon content. But, this does not prevent the article from being submitted for publication.
