

**SDI Review Form 1.6**

Journal Name:	<a href="#">International Journal of Plant &amp; Soil Science</a>
Manuscript Number:	Ms_IJPSS_45828
Title of the Manuscript:	Genetic Variability, Heritability, Character Association and Morphological Diversity in Okra (Abelmoschus esculentus L. Moench)
Type of the Article	Original Research Article

**General guideline for Peer Review process:**

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

**PART 1: Review Comments**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	Excellent research work on the Genetic Variability, Heritability, Character Association and Morphological Diversity in Okra (Abelmoschus esculentus L. Moench. The study reveals that selection and appropriate breeding program can be developed for Okra using the results of the present study. The study also shows amongst other important selection indices, the direct and indirect contributions of the parameters evaluated on the yield.	Noted
<b>Minor</b> REVISION comments	<ol style="list-style-type: none"> <li>1. Some corrections have been indicated in the manuscript using comment icons</li> <li>2. Author(s) should effects the corrections accordingly</li> <li>3. The journal format and style of presenting references should be adopted in completing the references in this manuscript</li> <li>4. The names of all journals cited in this manuscript should be written in full and not abbreviated to ease cross referencing and citation counts</li> </ol>	<p>All the corrections have been made.</p> <p>Name of the all journals in this manuscript has been written in full and marked yellow.</p>
<b>Optional/General</b> comments	Good results presentation	

**PART 2:**

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
