PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	Study is interesting, and data are well publishable. Except the abstract is too long it should be more concise. Manuscript is well written. According to me Manuscript does fulfil journal standard. Quality of figure is not good difficult read Text inside. At line no. 148 Figure is numbered 3.1 it should be 1. At line number 142 table is numbered 3.1 it should be 1. I suggest author to make above changes. I accept this manuscript for publication.	
Optional/General comments
