SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments	-	
<u>Minor</u> REVISION comments	This is an interesting and rare case of ascariasis. So, I believe that this manuscript should really be published in this Journal. But, there are some considerations that the authors have to analyse before the manuscript be accepted. My comments are in the text. The final text have to be review by a native person in English language.	All suggested corrections were made and are highlighted in the manuscript.
<u>Optional/General</u> comments	-
