SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	Authors are required to add / amend followings: <i>It is suggested to authors to remove sub-section heading from ABSTRACT.</i>	I found the sub-section headings are present in the published article. So, we kept the headings.
Optional/General comments	Article is very interesting & properly structured. Authors concluded that BEI inactivated trivalent FMD vaccine is capable to produce good immune response against FMD virus serotype-O, A and Asia-1 and can be used to combat the FMD in Bangladesh.	Thanks for the nice comments.
