SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	The language is very poor, Authors should consult a native English speaker to thoroughly edit the language The study area should include the geography and ecology of the area	The language was re-edited These data are now included into the method section, line to
<u>Minor</u> REVISION comments	Authors should format the references in following the journal's format. I noticed that scientific name was written as <i>Strongyloides (S.)stercoralis</i> <i>There is no need to write S in parenthesis. After writing it in full for the first time, subsequently, it should be written as S. stercoralis</i>	Corrected Corrected
<u>Optional/General</u> comments
