SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	I have gone through the article and related literature. I think we can go ahead with it. There is few revision/addition and a grammatical revision that's needed.	Grammatical errors ie ' she had had preceding history ' in line 44 had been rectified. Spelling errors ie ' myasthenic crises ' had been changed to 'myasthenic crisis' at lines 3,16,18,28,32,33,47,63,71,87,98,106,129
<u>Minor</u> REVISION comments	Please mention the chest x-ray findings at time of admission.	Chest X-ray findings were added at line 65
<u>Optional/General</u> comments	The last line of 'conclusion' may be reframed to make it easier to understand	The conclusion has been rewritten after taking comments from other reviewers into consideration.
