SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments	Last word of Abstract: change "region" to "regions." Line 64: change "Data was" to "Data were"	
<u>Optional/General</u> comments	Excellent, clear and thorough presentation of a very important EVD public health issue. This article has the potential to influence public health policy and awareness in a region that has previously suffered from Ebola virus disease (EVD). Publication of this article is in the public's interest. Because of its content, quality and importance, especially in Nigeria which is currently free of EVD, it would be greatly useful and important to publish this article.
