SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	.Abstract preferably must be structured; than writing in one paragraph, better to divide under background, objective, methodology, results and conclusion. 2. Sentence 62 and 63 is incomplete- Alter as "It is only with extensive participation from the community members that a significant reduction in mosquitoes, and thus further malaria burden will be reduced". 3. Any one among "Socio- Demographic Characteristics of the Respondents- or Community Knowledge, Attitude and Perception of Malaria" - may be better depicted in graphs than in tables, for better representation	
Optional/General comments	Well design study and well written manuscript
