SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	ABSTRACT Line 5 it says ""Afrotropical region. in Saudi Arabia" The word in should be in capital letter. Also, in the same line, Afrotropical is misspelled. INTRODUCTION In line 25 it says "human", it should say humans In line 52 it says "tubmu" it should say tum bu In line 59 it says "among never travelled children" It should be rephrased, for example, among children that never travelled outside..... In line 71 it says "Cephaloskeleton" It should not start with a capital letter. In line 75 it says "clinical examination od clinical cases" it should say clinical examination of clinical cases In line 76 it says " in varies regions of the patient body including" it should say: In various regions of the patient's body In line 83 it says "After removal of the maggots, the left 1x1 cm with a depth of about 2 cm sinus-shape wound was dressed local anti-parasitic and antibiotic" it should be rephrased since it is not clear what it wants to state. In line 88 it says "incidences" it should say incidents. In line 89 the word First should not be in capital letters In line 90 it says "Arabia at 3rd of September, it should say the 3rd of September, similar to the mistake in line 93 In line 133 it says "might exudes" it should say might exude, or just, exude.	

SDI Review Form 1.6

	In line 138 it says "were previously travelled" it should say had previously travelled. In line 152-153, the phrase "The recording of indeigiously acquired cases of FM in an dry 153 desiret climet region among never travelled... has many spelling errors and should be rephrased. In line 155 it says "In deed" it should say indeed. In line 156 it says "that calliphorine species is not restricted to" it should say are not restricted
