SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments	The paper brings no strong contribute; it may be evaluated only for a weak epidemiological information to future sanitary plans in that geographic area. It needs only some revision in typewriting. Line 25 miss a point Line 77 seems to miss something Line 85 remove "is" Remove showing from all figure legends	Thanks corrections effected. In our environment the paper will be useful in future planning of otolaryngological services especially for children. It is indeed an epidemiological survey that can form a basis for future research in our environment
<u>Optional/General</u> comments
